Rating	Description	Your reaction
Excellent	Exceptional and clear (if intended to be) with fantastic aromas, flavours and ideal carbonation.	Superb! You tell your friends and compliment the cellar manager.
Very good	Satisfying and well-kept with a great appearance, good carbonation and enticing aromas and flavours.	You consider having another and may cancel plans to move to another pub.
Good	Nice appearance, good carbonation, aromas and flavour.	Pleasant but not memorable. You're happy to have another but might consider something else.
Acceptable	Unremarkable and ordinary, with no noteworthy characteristics.	You're unlikely to have another unless it is all there is and there isn't another pub to go to.
Poor	Noticeably imperfect.	Drinkable with resentment, but you politely ask for a replacement.
Undrinkable	Unpleasant to drink, likely with a disgusting taste, incorrect appearance and off/foul aroma.	You politely ask for it to be replaced and consider asking the publican to take it off.
